

STG014 | SEEK TAG

Seek Tag – Dual System Apple + Android Tracker

Seek Tag – Dual System Object Tracker Apple + Android

Supports two systems: compatible with Apple’s “Find My” and Google’s “Find My Device” networks

- No third-party app required: utilizes native iOS and Android tracking systems
- Global coverage: tracking through Apple and Google’s secure worldwide networks, supported by millions of devices
- No GPS or Wi-Fi needed – any nearby device can anonymously send its location to the owner.
- Strong global demand – a worldwide trend with broad market appeal
- High perceived value with retail prices ranging from \$25 to \$40
- Includes a CR2032 battery - up to 1 year of battery life, easy to replace
- Includes a keychain - easily attach it to your keys, bag, or luggage
- Private and secure – fully encrypted anonymous location sharing

Simple. Powerful. Recognized worldwide. Ideal for anyone seeking peace of mind in a compact tracker.
