

STG019 | CHARGING CABLE WITH PHONE STAND

Charging Cable with Phone Stand – Recycled TPE Charging Cable with Phone Stand

Charging Cable with Phone Stand – Recycled TPE Charging Cable with Phone Stand

Charging Cable with Phone Stand is a versatile charging cable designed for everyday use. Featuring **three built-in connectors (USB-C, USB-A and USB-C)**, it adapts easily to most devices, reducing the need for multiple cables.

Made from **recycled TPE**, it gives a second life to materials while lowering environmental impact. An **integrated phone stand** adds extra convenience for desk or travel use.

Supporting **fast charging up to 60W (USB-C to USB-C)** and **480 Mbps data transfer**, Charging Cable with Phone Stand delivers reliable performance in a compact, practical design.

A **premium and functional corporate gift** combining eco-design, performance and wide compatibility.
