Muscle - 900ml / 30oz Double Wall Vacuum Recycled Stainless Steel Tumbler

Muscle - 900ml / 30oz Double Wall Vacuum Recycled Stainless Steel Tumbler

A refined take on the classic insulated tumbler, with a signature wave design and a generous 900ml capacity. Double-wall vacuum insulation keeps drinks hot for up to 12 hours or cold for 24. The flip lid allows easy one-hand opening, while the internal straw makes sipping effortless on the go.

Two handle options:

- **Urban** for daily city life
- **Sport** with a carabiner loop for outdoor use (carabiner not included)

Crafted entirely from **recycled 304 stainless steel**, it's rust-resistant, ultra-durable, and built to last over 5 years — a smarter choice than low-grade steel alternatives.

Sustainability bonus: reduces the need for disposable plastic or paper cups.

Optional ceramic inner coating available — ideal for ultra-sensitive taste buds and a more premium feel.

A sleek, sustainable corporate gift that puts your brand in hand every day.
