Nazar - 330ml / 11oz Double Wall Vacuum Recycled Stainless Steel Tumbler

A compact, sustainable tumbler designed for daily use.

Key features

Recycled 304 stainless steel — eco-friendly, food-safe, and built to last. Durable and rust-resistant, unlike lower-grade 201 steel

Double-wall vacuum insulation — keeps drinks hot for 9 hours or cold for 12

Two lid options:

- for secure closure
- for quicker access

Both lids can be fully dismantled for easy, thorough cleaning

Optional ceramic inner coating — perfect for ultra-sensitive taste buds and a more premium feel

Sustainability bonus — using stainless steel tumblers dramatically reduces the need for single-use plastic or paper cups

A sleek and responsible corporate gift — practical, long-lasting, and aligned with your values.
